Roseland Lanes is proud to offer a **“Ballwall Kiddiebowl”** for Pre-K-2nd School Students. **“Ballwall”** is a fantastic fun wall that gently nudges your bowling ball back on track, out of the gutter and down to the pins.

Did you know that bowling is more than a game – it also allows a child to develop such skills as, taking turns, following directions and game rules, hand-eye coordination and team spirit? Come join the fun and get in the sport where **there are no benchwarmers and weather is not a factor!** This is the perfect sport for the children and boosts their confidence.
